## PROPELLANT

---

### Green Dot

Shooters can now get the tight, consistent, long-range patterns of Alliant Powder® Green Dot® with significantly less fouling. The improved formulation burns much cleaner, with precise burn rates that produce dense, uniform patterns, as well as less felt recoil. Enhanced Green Dot is optimized for handicap trap loads, yet versatile enough for a variety of target and field applications. It offers Alliant Powder's legendary lot-to-lot consistency and is proudly made in America.

### Features & Benefits

- Improved clean-burning formulation
- Significantly less fouling
- Lower felt recoil and superior patterning
- Optimized for handicap trap loads
- Excellent lot-to-lot consistency
- Made in the U.S.A.
