Premium waterproof protection now extends to the lower half of the body. The BLACKHAWK!® Fortify Pant is made of 10,000 MM fabric – one of the most waterproof yet breathable fabrics available. It's enhanced with Teflon® Shield+ fabric protectant that resists oil and stains. The Fortify Pant is designed to go on easy, with an adjustable waistband and leg openings. Range of motion is enhanced with 4-Way stretch fabric and a gusseted crotch. Two concealed side-seam zippers allow easy access to pants pockets, and there are also two exterior back pockets. The knees, hems and critical seams are all reinforced for enhanced durability.

- **PREMIUM WATERPROOF MATERIAL**- 10,000MM waterproof and seam sealed fabric.
- **COMFORTABLE**- Brushed, soft Tricot fabric-lined waistband and adjustable waistband, leg openings for added comfort.
- **DURABLE**- Teflon® Shield+ fabric protectant repels oil and stains.
