HOLSTERS

Standard Holsters for Glock 42 and M&P SHIELD

Are you looking for a rugged, stylish holster that fits your firearm like a glove? The BLACKHAWK!® Standard Holster features a pressure adjustable detent retention system that allows you to customize the amount of retention on the handgun. This innovative system grabs onto the pistol's trigger guard and holds tight for a secure fit. New for this year, BLACKHAWK!® adds right- and left-handed holsters to fit the Glock 42 and Smith & Wesson M&P SHIELD.

Features & Benefits

- Comes complete with both a belt loop and paddle platform
