### CENTERFIRE SHOTSHELL

---

#### CCI Big 4

Centerfire handgun shotshells have long proven themselves as highly practical options for close-range pests. New CCI® Big 4™ loads extend the range and capabilities of these downsized shotshells, thanks to a payload of No. 4 lead shot. The resulting energy and patterns enable Big 4 loads to take down larger pests at longer distances, making them even more useful.

#### Features & Benefits

- Centerfire handgun shotshells
- No. 4 lead payload delivers more energy and longer range than conventional handgun shotshells
- Packed in reusable boxes of 10 shotshells
- Available in a variety of popular calibers
