RIMFIRE RIFLE

17 HMR VNT

Devastate varmints or drill targets at long range with new CCI® VNT™. The 17 HMR loads feature a Speer® bullet with an extremely thin jacket and polymer tip that team up to offer flat trajectories, superb long-range accuracy and explosive terminal performance on impact. It's the perfect combination for hunting varmints or shooting at the range.

Features & Benefits

- Speer VNT bullet design
- Very thin jacket combined with precision-built polymer tip
- Devastating terminal effect on varmints
- Flat shooting and highly accurate to maximize effective range
- Consistent CCI priming
