

SHOOTING BAGS

MARKET RELEASE DATE:

January 2019

The new Champion Shooting Bags are built to help deliver accurate round placement. All five bags are uniquely shaped and include features favored by all shooters. The bottom of each bag is covered with Tuff Hide, a synthetic material that prevents skidding and provides a stable shooting platform. The designs can be utilized in ladder stands, deer blinds and shooting benches – any place you love to shoot!

FEATURES

» Tuff Hide bottom won't skid, enables solid shooting platform
