### SHOOTING GEAR

---

#### **Flip Monopod Shooting Stick**

Travel light, stay stealthy. Now there's no need to carry both shooting sticks and a hiking staff in the field. Support yourself with a hiking staff when crossing through rough terrain with Champion's new Flip Monopod. The reliable, comfortable grip handle and rotating capability also provides stability and versatility when taking aim. Quickly flip open the retractable shooting yoke and get your rifle into position for a quick, steady shot.

#### **Features & Benefits**

- Rapid-open, flip-top shooting yoke
- Integrated 360-degree rotational handle
