## PREMIUM PERSONAL DEFENSE

### Practice & Defend Combo Packs

Federal Premium® invented it—combining personal defense ammunition and ballistically matched training loads in one convenient, affordable package with Practice & Defend Combo Packs. This year, we’ve made these products even better by combining our top-of-the line HST® loads with American Eagle® training rounds. The combo packs offer realistic practice and value, with the industry’s leading Personal Defense® ammunition.

### Features & Benefits

- HST bullet design delivers industry-leading performance in FBI protocol testing\*
- American Eagle FMJ target rounds provide consistent accuracy
- Grain weights of both loads match for familiar feel and realistic practice\*
- Combination allows effective training and personal defense
- Available in 380 Auto, 9mm Luger, 40 S&W and, 45 Auto
- 100 rounds of target ammunition and 20 HST Personal Defense loads
