PREMIUM UPLAND SHOTSHELL

Hi-Bird

Federal Premium® has added new shot sizes to its popular Hi-Bird™ line of upland shotshells. The loads combine speed, hard-hitting pellets and a specialized wad to fold the highest doves, crows and pigeons, as well as pheasants and the most challenging upland birds. The powerful loads' two-piece wad features SoftCell™ technology to decrease perceived recoil and produce more consistent long-range patterns. Plus, its lead shot is engineered for the optimum blend of hardness and density. The result is dense long-range patterns with more downrange energy.

Features & Benefits

- New shot sizes available
- High-power 12-gauge loads maximize long-range lethality on pigeons, doves and upland game
- Two-piece wad features SoftCell™ technology to decrease perceived recoil and produce better, more consistent long-range patterns
- Lead shot is engineered for the optimum blend of hardness and density for even patterns and more downrange energy
- Perfect for the field or competition

Part No.	Description	UPC	MSRP
HVF12H 4	12 gauge, 2 3/4-inch, 1 1/4-ounce, 4 shot, 1,330 fps	6-04544-62553-0	\$12.95
