### Trophy Copper 280 Ackley Improved

Extract maximum performance from the flat-shooting 280 Ackley Improved cartridge with Federal Premium® Trophy® Copper. The new 140-grain load provides pinpoint accuracy and aggressive expansion, yet produces limited, manageable recoil. The copper, polymer-tipped bullet retains up to 99 percent of its weight on impact for deep penetration on a wide range of medium game. The official ammunition of MeatEater.

#### Features & Benefits

- New 140-grain 280 Ackley Improved load offers long-range accuracy, manageable recoil and ample power
- Official ammunition of MeatEater, with new packaging that highlights this partnership
- Copper bullet construction provides up to 99 percent weight retention for the deepest penetration in an expanding bullet
- Tipped bullet cavity is optimized for expansion across a broad velocity range
- Grooved bullet shank for increased accuracy across a wide range of firearms
- Polymer tip and boat-tail design increase the ballistic coefficient for higher downrange velocity, energy and less bullet drop
