Upland

Paper Flyer

Hit upland birds harder and experience the unmistakable performance of paper hulls with Federal Premium® Paper Flyer loads. The exclusive waxed paper hull holds a powerful payload of extra-hard, copper-plated lead shot for patterns and penetration that drop the toughest, fastest upland birds.

Features & Benefits

- Exclusive paper hull traditionally crafted with special handling and materials to ensure the highest quality
- Extra-hard, copper-plated shot for uniform patterns, greater penetration and less feather draw
- Wad column designed specifically for each load and the paper hull to provide optimum performance
- Select, high-quality propellant and non-corrosive primer for efficient ignition
- Low-brass head
