Speed-Shok 100-Packs

Bring the velocity and power of Federal® Speed-Shok® to the blind in bulk. New Speed-Shok 100-packs come in our most popular payloads, delivering both the performance and convenience hunters need. Recently redesigned Speed-Shok loads fill limits faster and cleaner than ever, thanks to the Catalyst™ primer and faster-burning powders that dramatically reduce residue.

Features & Benefits

- Convenient 100-count bulk packs
- Faster-burning, cleaner propellant leaves drastically less residue in the barrel and action
- Catalyst high-performance lead-free primer provides the most complete, consistent ignition possible
- Optimized velocities
