

## 2017 NEW PRODUCTS

### FEDERAL HANDGUN

#### Train + Protect

Federal® Train + Protect™ proudly honors the American birthright to bear arms with a VHP™ bullet design that provides both precise, practical performance at the range, and instant, reliable expansion on impact. The result is the ideal combination for training as well as defending yourself, your loved ones and your freedom.

#### Features & Benefits

- VHP bullet based on proven Federal hollow point design
- Reloadable Federal brass case
- Extremely reliable primer
- Loaded to produce consistent performance on the range and in defense situations
