

HOPPE'S BLACK HIGH PERFORMANCE GUN CARE

Hoppe's Black

High-performance firearms deserve high-performance protection, and Hoppe's® Black delivers. Hoppe's Black uses a formula designed for MSR's and other high-round count firearms, but will work with any firearm. Designed to withstand a wide range of temps from -65°F to 540°F – it will prepare your firearm for any situation. Hoppe's Black is comprised of a Gun Cleaner, Precision Oil, Copper Cleaner, Grease Syringe, and Lubricating Cloth.

- Designed for high-performance firearms
- Delivers a superior clean
- Industry-best temperature range of -65°F - 540°F
- Introductory line includes cleaners, lubricants and copper cleaner
