110 TACTICAL

When the stakes are high, settle for nothing less than the precision and adaptability of the Savage 110 Tactical. The rifle's AccuFit™ system lets tactical and competitive shooters customize length-of-pull for the utmost consistency, and the user-adjustable AccuTrigger™ provides a light, crisp pull. Together with the AccuStock™, which secures the action three-dimensionally along its entire length, the 110 Tactical provides the fit and function of a custom rifle—right out of the box. It features a suppressor-ready threaded barrel, a one-piece scope rail and 10-round detachable box magazine. Available in right- and left-hand models.

FEATURES:

- AccuFit system lets shooters quickly adjust comb height and length-of-pull
- User-adjustable AccuTrigger
- AccuStock rail system secures the action three-dimensionally along its entire length
- Detachable 10-round AICS magazine
- Threaded heavy barrel with end cap
- 20 MOA EGW rail
- Gray or FDE synthetic stock
- Tactical oversized bolt handle
- New Model 110 design and ergonomics
