Trophy® Cam HD – No Glow | Low Glow

New Pre-set menu choices based on location and illuminated 5-way button control panel make these units the best Trophy Cam ever. Field-proven design with a removable “ARD” anti-reflection LED cover, strengthened cable lock channel and an improved latch for maximum ruggedness. These models provide stunning images with a super-fast 0.2-second trigger speed, hyper 0.5s recovery rate, extended nighttime photo range and true 1-year battery life. The New Trophy Cam HD No Glows are exactly what hunters have been waiting for.
