

NEW CQTS II Red Dot

Bushnell's flagship red dot is even better! The Bushnell Elite Tactical CQTS II Red Dot is built with the quality, durability and performance that comes with the name. The Close Quarters Tactical Sight is a 30mm tube red dot features four reticles, which can be switched with the push of a button: a 2.5 MOA dot, circle dot, crosshair dot and circle-crosshair dot. There isn't a shooting scenario the CQTS II doesn't cover. The 30mm tube red dot comes with a battery that can last 50,000 hours or more. The CQTS II is the red dot all other red dots aspire to be.

INDUSTRY LEADING FEATURES:

MULTIPLE RETICLES - Easily switch between four reticles with the push of a button

EXTENDED BATTERY LIFE - Improves upon industry-leading battery life, with some models exceeding 50,000 hours

BRIGHTNESS - Adjustable brightness settings, visible at all hours and in every lighting condition

DURABLE - Waterproof, fogproof, shockproof construction ensures reliable performance, no matter the weather
