TROPHY XTREME BINOCULARS

MARKET RELEASE DATE:

June 1, 2016

Dollar for dollar, it's the most clarity available today. So you can browse Mother Nature's big wild grocery store with surgical precision. Their rugged armor plate encases fully multi-coated lenses in a waterproof, fogproof vault of impenetrability. Aggressive, ergonomic design makes for easy handling while the improved 3-step eyecups provide better fit and comfort. Larger objective lenses with higher magnification deliver best-in-class clarity and brightness. And new lens covers are built to stay in place. Choose from three tough-as-nails models that are as affordable as they are indestructible—like the urge to get to your next hunt.

FEATURES & BENEFITS

- » BaK-4 porro prisms
- » Fully multi-coated lenses for maximum light transmission and optimum brightness
