

ASAP™ AR15 ELECTRONIC MAGAZINE LOADER

Welcome to the next generation of loading. The ASAP™ Electronic Magazine Loader is the only product of its kind on the market. Made for serious competitors and training facilities in mind. Just fill the hopper with loose rounds, select the desired round count and press a button. That's it. The machine automatically orientates the ammunition and loads your magazine. Magazine loading does not get any easier.

FEATURES:

- Round count selection 1-40
- 60 Round hopper
- Works with most AR15/M16 magazines
