## WELDED WATERPROOF GUN CASE

---

### *Final Approach Original Pro Guide*

#### **Features & Benefits**

You spoke, and we listened. We're bringing back the original design of the Final Approach Pro-Guide with enhanced materials for even better performance. Our new coated fabrics are guaranteed to keep you dry in the fields and withstand the abuse of an avid waterfowler. In fact, we're so confident in the performance of our blinds that we're backing it with a Limited Lifetime Warranty. That's right, if we can't fix it, we'll replace it!

- Full frame blind for the hunter who prefers comfort, yet blind folds down flat for easy stacking.
- Sloped exterior to prevent shadows
- Detachable camouflage face mesh
- Original Stubble Straps™ for adding extra hide to the blind
- Original fast-access flagging holes
- Zippered "clean-out" door at feet for quickly removing debris in the blind
- 36" W x 85" L x 18" H
- Durable camouflage fabric with waterproof backing
- Comfortable padded headrest
- Weighs only 11.5 lbs.
- Limited Lifetime Warranty
