

## Take Out Mineral Lick – Sweet Spot Blend

Take Out Sweet Spot Blend produces an instant and intense long range aroma to draw deer in to feed on its salty sweet flavor. The long lasting formula and aroma seeps in and sticks to any spot – ground, stumps, or log piles – to keep deer coming back and hold them in your area. Fortified with key minerals, Sweet Spot Blend boosts herd health year round, particularly leading up to pre-rut and during Spring and Summer fawning seasons. Use it as part of your Take out Seed & Feed System to implement a simple, proven, and effective plan in your area. Find out more at [primos.com/takeout](http://primos.com/takeout).
