

# Whitetail Classic Riflescopes

WTC3940

Simmons® is bringing back a classic: Whitetail Classic Riflescopes. Available in six time-tested deer hunting configurations for short- and long-range enthusiasts, they offer a timeless look and are specifically designed for hunting's most timeless trophy. The large field of view and eye relief make for easy shots. The waterproof, fogproof and shockproof construction ensures your rifle scope cooperates even when the weather doesn't. The Whitetail Classic is built for deer hunters, by deer hunters.
