

Venture™ Binoculars

8971042R

Hunters can wait hours or even days for an opportunity of a lifetime. Specifically designed for hunters and outdoor enthusiasts, Simmons® Venture™ binoculars will make sure you're ready when this chance presents itself. Fully multi-coated lenses transmit the maximum amount of light, revealing the finest of details even at first and last light when game is most active. Available in five configurations, Simmons® Venture™ binoculars can go anywhere arming you with quality optics when you need it most.

FEATURES

- » Fully-multi coated optics deliver bright images, even in low-light conditions
- » Compact, mid-size, full-size options fit in storage compartments of every size
- » Rubber armor housing protects optics while providing superior anti-slip grip
- » Carrying case, neck strap and lens cloth included
- » Fully weather resistant
