

320 SECURITY

Take on any tactical situation with a shotgun built specifically for the task. The 320 Security platform has been proven for years, and it's now even better with a redesigned black matte synthetic stock and fore-end. Like all 320 shotguns, it features a smooth, reliable pump action, rotary bolt and dual slide-bars. Now available in several configurations with specialized sighting systems, grips and other options.

FEATURES:

- Redesigned synthetic stock and fore-end
- Pump action with rotary bolt
- Dual slide-bars
- 18.5-inch barrel
- Bottom-loading tube magazine
- Right eject
- Matte black finish
- Five-plus-one capacity
