

STEVENS 301

Single-shot, break-action shotguns remain popular with practical hunters, and the new Stevens 301 gets even more from the trusted platform. It features a crisp, reliable break action and modern synthetic stock that stands up to hard use in the field. A variety of gauges and configurations make it easy to find a model to fit any shooter.

FEATURES:

- Single-shot shotgun
- Break action
- Standard and compact models available
- Rugged synthetic stock
