

### GUN CLUB CURE

The newest addition to Remington's Gun Club® product family is destined to help real families nationwide. A portion of the proceeds from the sale of this ammunition benefits children's hospitals and disease research, meaning your day at the trap, skeet or sporting course shooting gives back to those in need. Gun Club Cure's unique hull shows your support for a great cause. Proudly loaded in America with Remington components you know and trust, be a champion for children with Gun Club Cure. Available summer 2022 in two 12GA loads, including a low-recoil version.

### FEATURES
