

PETERS PAPER

Peters is Back with new, yet traditional, paper hull shotshells. Tuned for the modern trap, skeet and sporting clay shooter, the paper hulls reduce felt recoil for a more enjoyable day at the range. Enjoy the sweet smell of paper...and victory. Peters Premier Blue Paper Shotshells are available now in five 12GA load options. Buy today on Remington.com.

FEATURES

- Premier Lead Shot: High-antimony lead shot screened to produce uniform performance and accuracy
- Peters Paper Hull: Shoot longer with less felt recoil. The nostalgic smell of paper!
- Competition Wad: Retro look and feel, modern performance. Tight patterns downrange
- Primer/Propellant: Carefully selected and paired for even ignition and consistent velocity
- All High Brass Head: The utmost in reliability
