

PREMIER BISMUTH

New Remington Premier Bismuth lets you hit harder and farther. Loaded with deadly HEVI-BISMUTH™, the dense blended shot flies farther with an increased retained energy vs steel, giving you greater performance at greater distances. Premier Bismuth is loaded with top-tier Remington components and is just as lethal in the marsh as it is chasing pheasants.

FEATURES

- All-season load for waterfowl or upland hunts
 - Superior to steel. 22% more dense, 44% more downrange energy
 - Safe to shoot in all barrels, including vintage shotguns
 - Loaded with HEVI-BISMUTH, which is proudly alloyed and cast in the USA
- Non-toxic, 9.64g/cc density. Hits like lead
Available in 12, 20, 16, 28GA, .410
