

## ***2019 NEW PRODUCTS***

### **PROPELLANT**

---

#### **Herco**

For years, reloaders have relied on the performance of Alliant Powder® Herco® to craft precise, heavy shotshell and handgun loads. Now the proven propellant is even better, offering cleaner burning and improved flow characteristics with no changes to reloading data. Enhanced Herco offers Alliant Powder's legendary lot-to-lot consistency and is proudly made in America.

#### **Features & Benefits**

- Cleaner burning
- Improved flow
- Perfect for 28-gauge straight hulls
- Ideal burn speed for light field steel loads
- Excellent lot-to-lot consistency
- Made in the U.S.A.
