Open the Stingray Pack at the top, left or right side of the main compartment. The zipper extends to the bottom of the pack, allowing the user to lay it flat if needed. Available in three sizes and colors, the Stingray Pack's 500D nylon construction is built to withstand anything. Plus, a padded compartment at the back accommodates either a laptop or hydration reservoir.

- **STRONG**- EVA-molded side wings protect gear from jostles, bumps and drops.
- **SECURE**- Large, fleece-lined valuables pocket is deep enough to hold the largest smart phones.
- **VERSATILE**- Loop-lined MOLLE in main compartment for easy attachment of pouches and other accessories.
- **DURABLE**- YKK® zippers with wide tabs for reliable opening and closing.
