

## DEFENSE

MARKET RELEASE DATE:

JANUARY 2017

## TECHNOLOGY

ANTIMICROBIAL

The BLACKHAWK!® Defense is a military-grade boot, that is AR 670-1 Compliant. The aggressive, elite Vibram® outsole provides maximum traction and stability. An OrthoLite® Insole cushions the foot, and can be removed and washed when needed. The top of the boot is reinforced by lightweight 1000 Denier Padded DWR Nylon. The Defense laces easily with a NATO Lace System.

- **AR 670-1 COMPLIANT** - Conforms with updated U.S. Army AR 670-1 uniform appearance code.
- **ORTHOLITE® INSOLE**- Provides comfort and support, and is removable and washable.
- **VIBRAM® RUBBER OUTSOLE**- An elite rubber compound outsole made to the highest standards.
