The new BLACKHAWK![®] Stretch Shield pant features mechanical stretch rip stop fabric and articulated knees, and delivers maximum movement and flexibility. Teflon[®] Shield+ protective coating and quick-dry capabilities keep this pant clean and comfortable. Bartacks and rivets at the seams reinforce high stress points, and strategically placed pockets allow for secure accessory storage.

- **COMFORTABLE** - Mechanical Stretch fabric provides superior range of motion.
- **DURABLE** - Rugged 6.10 oz ripstop fabric with Teflon[®] Shield+ protects against water, oil and stains.
- **PURPOSEFUL POCKETS** - Six exterior low-profile pockets and one hidden interior waistband pocket.
