### Varmint

### Stangers 22 LR

CCI® Stinger® isn't just a great load for pinning down varmints. It's also been one of the top choices of YouTube shooting sensation 22plinkster. That's why we've introduced special-edition "Stangers"—loads named for his signature drawl. Like the original, Stangers' 32-grain copper-plated hollow-point bullet leaves the muzzle at 1,640 fps and provide CCI's legendary precision and accuracy.

#### Features & Benefits

- Special-edition 22plinkster packaging
- 32-grain copper-plated hollow point
- 1,640 fps muzzle velocity
- Loaded within industry standard pressures
- Anchors varmints fast
