### Slug & Buckshot

### Premium Buckshot 1 Buck

At Federal®, we engineer shotshells to provide the same precision performance as all of our other loads, and the new Premium® Buckshot 1 buck offering is no exception. Its payload of 16 copper-plated pellets produces tight patterns for more hits and better stopping power on predators, hogs and more.

#### Features & Benefits

- New 16-pellet 1 buck load
- Copper-plated shot
- Buffering prevents pellet deformation and ensures dense, uniform patterns
- More hits and better lethality on predators, hogs and more
