### HST 357 Magnum & 327 Federal Magnum

Fuel your magnum revolver with the power of Federal Premium® HST® thanks to new offerings in 357 Magnum and 327 Magnum. The proven bullet design fully utilizes the magnum performance of these cartridges to maximize expansion and hit critical penetration depths. The specially designed hollow point won't plug while passing through a variety of barriers, and the bullet jacket and core hold together to provide nearly 100 percent weight retention through even the toughest materials.
