

GUN+MEDIC

The Hoppe's all new state-of-the-art Gun Medic line of products were developed to resuscitate the dirtiest firearms from malfunctions caused by build-up of gun powder, lubricant and grime. When seconds count to get you back in action, Gun Medic products will clean and lubricate your firearm quickly and effortlessly to provide you with unrivaled gun cleaning performance. Gun Medic is like having a first aid kit for every firearm and is sure to become your constant range bag companion. Because a clean firearm is a more accurate firearm, Gun Medic can save your day at the range.
