

SPORTSMAN HI-SPEED STEEL

All the dependability and performance you'd expect from Remington ammunition without breaking the bank. Sportsman® Hi-Speed® Steel's sealed primer, high quality steel shot, and consistent muzzle velocities combine to provide reliability in adverse weather, while delivering exceptional pattern density and retained energy. An economical, high-speed steel load that's ideal for short-range high-volume shooting during early duck seasons, or over decoys.

FEATURES

- High-quality steel shot
- Consistent muzzle velocities and exceptional pattern density
- Sportsman® Steel works equally well in upland situations that require the use of non-toxic shotshells
