

## 2015 NEW PRODUCTS

### BELTS

---

#### **Reinforced Instructor Belts**

Uncle Mike's® Reinforced Instructor's Belts have forged a reputation for dependable service with their strong, durable nylon construction that is reinforced with a polymer insert. Perfect for tactical, concealed carry or competition use, they will not roll over like other belts—even with the heaviest holster and gun combinations. For 2015, Uncle Mike's is offering even more options in the line with the addition of Ranger Green and Desert Tan colors to match a variety of pants, uniforms or tactical gear.

#### **Features & Benefits**

- Styled after traditional rescue or riggers belts
- Polymer reinforcement, sandwiched between two layers of rugged nylon offers rigid gun & accessory support
- 1-1/2 inches wide
