

AR OPTICS™ HASTE™ LASER SIGHT

Waterproof, ergonomic, ready for every MSR and legal for AR pistols, the Bushnell AR Optics Haste™ is the epitome of forward-grip lasers. Available in red or green laser options, the Haste mounts under the bore, and provides a bright, continuous, long-lasting beam with the push of a single button. The waterproof construction ensures it won't falter in bad weather. Close-quarter target acquisition doesn't get any simpler.

INDUSTRY LEADING FEATURES:

VERSATILE - Certified legal for both AR pistols and MSRs.

SIMPLE - One-button operation with constant on.

CONVENIENT - Easy battery replacement without losing zero.

SPECS - Red laser: 635nm; <5mw Class IIIa. Green laser: 525nm; <5mw Class IIIa.
