

SAVAGE ARMS APPROVED

25-ROUND MAGAZINE

Get the most out of your A17 rifle with Butler Creek's A17 25-round magazine. This Savage Arms-approved magazine brings extra capacity to the rifle. The magazine can be loaded traditionally or by using the red loading assist lever on the side. It features a stainless steel spring and all metal header and feed lips for reliable feeding. A remaining round indicator on the side lets you know when the magazine is running short of rounds. Connect two magazines together for double the firepower. The A17 25-round magazine gives you more time behind the rifle, and less time reloading it.

FEATURES:

- RELIABLE FEEDING
- ANTI-TILT FOLLOWER
- LOADING ASSIST LEVER
- METAL HEADER
- STAINLESS STEEL SPRING
- 25-ROUND CAPACITY
- AGGRESSIVE TEXTURE FOR POSITIVE CONTROL
- REMAINING ROUND INDICATOR
- CLIP TOGETHER DESIGN
