Butler Creek Featherlight Single-Point Sling

Out with the old and in with the new. Now is the time to upgrade your sling with a new Butler Creek Featherlight single-point sling. This unique hunting single-point sling is constructed of high-strength 1.25" wide nylon webbing with a bungee for comfort and support. This is the first in the industry to be made of a lightweight foam, which helps reduce excess weight. It also offers breathability with the cut out slots to reduce trapped heat as well as grip the shoulder better. The soft on the shoulder foam also adds comfort, providing all day wearability while being secure on the shoulder and also features robust bar tacking and box stitching for maximum strength
