

Primos KUIU® Elk Mouth Calls

Designed in partnership with KUIU®, one of the modern leaders in Western hunting, we've designed a line of elk mouth calls that provide optimal results. Through numerous reed combinations, stretch variations, and testing in the field, we have four new mouth calls to duplicate the sounds of either a cow or bull elk. Both sound plate and single frame options are

- Calls for cow and bull sounds
- Sound plate and single frame calls
- Vias and Verde 2.0 patterns
- Available 5/1/19
