

KennelUP™ Hunting Dog Kennel

The Easy-Lifting Kennel Built For Hard-Hunting Dogs. At just 37lbs, the KennelUP is the only kennel that's fully-loaded with premium safety and comfort features yet light enough for one man to lift and load with ease. Single-walled, one-piece roto-molded construction, heavy-duty handles, rubber feet and integrated tie downs keep your dog safe and secure. Adjustable vents, reversible locking door, and built-in drains assure a comfortable and clean ride. KennelUp. Go light, hunt hard.
