

## Waterboard<sup>™</sup> Box

If you need to make a gobbler talk, rain or shine, the Primos Waterboard<sup>™</sup> is your call. With each side producing different tones, you can replicate the sounds of multiple hens cuts, clucks, purrs, or yelps. The mahogany box and canary paddle is a great combination for great calls. Works wet or dry. Make 'em talk with the Waterboard!

- 100% Waterproof
- Waterproof coating on paddle and box
- Double sided box call
- Produces tones of two different hens
