

2016 NEW PRODUCTS

The Club

Welcome to The Club™, Primos new line of ground blinds. Wrapped in Mossy Oak Country camouflage, these blinds tuck into any surrounding you put them in. The DuraMatte™ HD fabric is durable and has a low sheen to help further blend it into its surroundings. The top edge of the blind is lined with Brush Deception™ holders to hold in sticks, branches, and leaves. Don't just go to the woods on your next hunting trip, go to The Club™.

Features & Benefits

- New Exclusive DuraMatte HD Fabric – soft, quiet and low sheen for blending in
- New SS Hook Blind Windows are deadly silent, secure and quick to open/close
- Max-View Window Openings for less obstruction, more effective surveillance, and more shooting flexibility
- Brush Deception brush holders line the roof for easy addition of sticks, branches and leaves
- Mossy Oak Break-Up Country Camouflage
