## *Lil Hook Up*

Primos introduces the next call in the Hook Up line. The Hook Up series is designed to take all the guess work out of getting that perfect box call sound every time you play it. The ultra-strong magnet holds the paddle at the perfect angle for crisp cuts, smooth purrs and soft to loud yelps. This call will even get you the most realistic gobble all hunters are looking for. The detachable paddle can also be removed for silent carry. This call is simple to use and fun to run!

### Features & Benefits

- Most innovative design in decades
